# Subsidiary Interests

## **Astrum Lighting Innovation** | [www.astrumli.com](http://www.astrumli.com)

Save Energy Costs. Bringing Sustainability For All.

Logistics Executive Group believes in a brighter, more sustainable future for all. We are passionate about the future of the environment and sustainable projects. It's a key reason why we invested in Astrum Lighting Innovations.

Astrum Lighting Innovations transforms workplace lighting into a key business tool that's help organizations save energy costs, reduces carbon emissions, increases workplace security with its smart future OIB technology and most of all provides a greener, more sustainable future for all.

## **JAFZA Representatives** | [www.jafza.ae](http://www.jafza.ae)

Business Connections That Fuel Growth.

Logistics Executive Group is proud to represent the Dubai Government's Jebel Ali Free Trade Zone (JAFZA) in Australia, New Zealand and India.

Jafza is the world's preeminent tax free zone for manufacturing, oil and gas, construction, industrial, logistics and supply chain import, export and re-export situated between Jebel Ali Port and Dubai's new al Maktoum International Airport. The 57 sq km site is home to over 7,500 businesses, accounting for 22% of Dubai GDP with revenues of over \$90.2 billion in trade annually.

## **Oasis Africa** | [www.oasisafrica.org.au](http://www.oasisafrica.org.au)

One Small Step is All it Takes to Make a Difference.

One small step is all it takes to make a difference. At Logistics Executive Group we believe and support meaningful humanitarian projects. It's why in 2005, we established Oasis Africa Australia raising awareness and funds to help create a better future for the disadvantaged and underprivileged children of Kenya.

From humble beginnings Oasis Africa provided shelter and a home for more than 100 orphaned and vulnerable children, and a primary school educating 300 children from the surrounding community. Assistance was given to a local school providing facilities such as kitchen, staff rooms, security fences, multiple pit latrines, water tank and water connection, library and classrooms accommodating up to 1,000 students.
