

Course: Supply Chain Finance

Duration: 1 Day

Program Code: **LESCF13-1**

Supply Chain Finance

This one day workshop links supply chain management to the financial systems and objectives of the corporation. It emphasizes how the supply chain creates value for both the shareholders of the company and the stakeholders affected by the company's operations. The seminar links both traditional products and supply chain solutions by considering the treatment of four 'pillars' of trade finance.

Target Audience

Who should attend: Any individual who is connected with financing functions in an organization and those who are responsible for developing the strategy for SSCM should attend this program.

Participant profile: Bank Relationship Managers, Corporate Finance and Treasury Specialists, International Traders, Supply Chain and Procurement Specialists.
