Oasis Africa

One Small step is all it takes to make a difference.

At Logistics Executive Group we believe and support meaningful humanitarian projects. It is why in 2005, we established Oasis Africa Australia raising awareness and funds to help create a better future for the disadvantaged and underprivileged children of Kenya.

In 2014, we have 74 students studying at Secondary Schools around Kenya under an Oasis Africa Secondary School Scholarship. We believe that this higher level of education provides the opportunities for employment and ultimately the ability to break the poverty cycle. Across our offices in Sydney, Melbourne, Perth, Singapore, Hong Kong, Shanghai, Mumbai, Delhi, Chennai, Dubai, Dublin and London, we strive the right thing by our clients, our people and our communities.
